Objective

As a fresher having a hard working nature, determination and delegation seeking a position in a dynamic organization where I can launch my career and where I can showcase my skills, and contribute to the growth of the organization

Education

Bachelor of Technology (B.Tech) Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Avadi Course: Computer Science and Engineering	CGPA: 7.5/10	2022-2025
Diploma Government Polytechnic College, Jammalamadugu Course: Mechanical Engineering	CGPA: 7.34/10	2019-2022
School Education Deepthi High School, B.Mattam	CGPA: 8.5/10	2018-2019

Skills

- **Programming Languages:** Java, Python
- **Web Technologies:** HTML, CSS, Javascript
- **Tools and Technologies:** Docker, Jenkins, Kubernetes, Git, ArgoCD, Ansible
- **Soft Skills:** Leadership, Communication, Quick Learner, Team Player
- **Operating Systems:** Linux/Windows
- **Web Framework:** Python Flask, java EE
- **DataBases:** Sql, MongoDB

Projects

- **Banking Application**
 - Developed a banking application that allows users to create accounts, manage transactions, and view account details securely.
- **Computing Machine Learning Techniques in Plant Disease Detection**
 - Implemented machine learning models to detect plant diseases from leaf images, improving accuracy in disease identification.
- **Employee time tracker using java EE**
 - A Java EE employee time tracker manages work hours using EJB and JPA for secure, scalable, and reliable tracking.
- **Blood Cancer Detection Using Convolutional Neural Networks (CNN)**
 - Blood cancer detection with Convolutional Neural Networks (CNNs) utilizes deep learning to analyze blood samples, enhancing accuracy and early diagnosis.
- **Medical Cost Insurance Prediction Using Machine Learning**
 - Medical cost insurance prediction using machine learning analyzes patient data to forecast expenses, improving cost management and policy pricing accuracy.

Certifications

- Python Programming Development Internship
- IBM z/OS Mainframe Practitioner
- Introduction to Cyber Security in Cisco Networking Academy
- Introduction to Networks in Cisco Networking Academy
- Cyber Security Essentials in Cisco Networking Academy

Extracurricular Activities

- Participated in college events
- Cleaned the environment as part of Swachh Bharat Abhiyan
